

# NATIONAL HAMFEST 2019 TRIP

## FRIDAY 27th SEPTEMBER 2019

See all the latest amateur radio gear on show under one roof with all the main dealers and radio manufacturers showing all the latest gear with very special prices. There is a large outside boot sale and a bring and buy marquee with a host of bargains on offer. The RSGB will be at the show with their massive book stall and other displays with various staff members there to discuss any membership issues with you. All this makes The National Hamfest the biggest and best radio show in the UK and NARC has booked a Large luxury coach trip to visit on the opening day Friday 27th September with coach pick ups at both East Norwich at Blofield and West Norwich, both offering FREE parking. Remarkably the coach company has kept the price the same as last year, but we can only offer the trip at this price if we have at least 25 people go, so please get you and your friends to book now - its open to everyone not just NARC members. We expect to arrive at Hamfest around 10.30 and will be leaving at 4pm so you can see plenty of lectures and displays but still be back home by early evening. There will be a proper comfort stop each way. Cost is £25 per person return which includes your entry ticket to the Hamfest and EVERYONE is welcome, not just club members, so please spread the word. **YOU MAY GET £5 CASHBACK!** As you can imagine the more people that go on a coach trip the cheaper it is to run, so in this age of crowdfunding we thought we should give something back if we make good numbers, so if 35 or more people book by 28th August we will give every person £5 cash back as they board the coach! And remember we have booked a large 50 seater coach so there will be plenty of room to spread and relax as well as lots of space underneath for your bargains! **FREE PARKING AND MEAL?!** We are very grateful both to Smiths Coaches and The Village Inn for giving us free parking all day. *The Village Inn (where we have our christmas dinner) offers a lovely Carvery dinner from £6, so why not support them and join others for a bite when you get back!*
