NORFOLK AMATEUR RADIO CLUB
MEMBERSHIP APPLICATION 2026

Types of membership

Membership shall be open to any person with a genuine and not solely commercial interest in Amateur Radio. The period of Membership shall be from 1st January to 31st December inclusive any one year. In the case of new Members the period shall at first be from the date of payment of their first Subscription to the following 31st December. Persons joining after 1st April in any year will be charged a pro rata rate for remainder of year.

It has been decided at a Committee Level to offer one flat rate of membership per person as we are still combining NARC Live online meetings with physical meetings at CNS and our increased number of members has enabled us to pass these savings on to all members.

Children membership

We are happy to offer children (who are 16 or under) free membership of NARC so that they can participate in activities such as Bright Sparks. At least one parent or guardian of the child(ren) must be a paid member of NARC and take responsibility for their children while involved in club activities. Please enter their details below
