

# NORFOLK AMATEUR RADIO CLUB

We meet every Wednesday at Eaton CNS School, Eaton Road, Norwich,  
NR4 6PP from 7-10pm, usually in 6th form centre at front of school.  
For more information visit <http://www.norfolkamateurradio.org>

## **Asset Loan Service**

The purpose of this arrangement is primarily to assist Shortwave listeners into the hobby and new licensees get on the air and/or enable club members to borrow various items for trial, evaluation or measurement purposes.

***NARC provides the items listed below available on a loan basis under the following conditions:-***

- 1/ Equipment loaned is to be taken great care of and will only be loaned to members of Norfolk Amateur Radio Club
- 2/ If a piece of equipment develops a fault do not try to repair it yourself, return it to the club and report the problem to a committee member.
- 3/ Transceivers will only be loaned to licensed amateurs who are also members of Norfolk Amateur Radio Club and only to be used within your license rules
- 4/ Transceivers are not to be used to transmit outside of UK amateur bands. They are NOT to be used to transmit on CB frequencies.
- 5/ Equipment is not to be modified in any way either by hardware or software.
- 6/ Equipment loaned must be collected and returned by the person loaning and Signing for it.
- 7/ Equipment must be returned as soon as possible if requested by a committee Member.
8. Equipment MUST NOT be sub-loaned to anyone else, it must be returned To be re-booked out if someone else would like to borrow it.
- 9/ Equipment must only be kept at your main station address except by prior agreement.
- 10/ Signing the loan application form constitutes agreeing to these rules.
